

15" Northland Built-in Undercounter Beverage Cooler

The high-efficiency Northland Undercounter Beverage Cooler is designed with a fully adjustable shelving system to store up to 72 cans in one slim 15" footprint!

Primary Features

- Forced air cooling technology rapidly cools and ensures precise temperature stability
- Electronic controls allow you to select a temperature setting between 34°F to 42°F
- Perforated steel shelves allow cool air to efficiently circulate throughout the cabinet
- Daylight white lighting illuminates the rich midnight black interior
- Tinted UV-resistant dual pane glass
- Decorative stainless steel handle
- Right hinge only, non-reversible
